Your established educational furniture supplier

With over 20 years experience working with the Education Authority in Northern Ireland, you are guaranteed a first class choice of the very best in Educational Furniture all wrapped up in our new catalogue. We offer a wide choice of robust and affordable furniture that continues to meet your needs.

Our products are fit for purpose, attractive, sturdy and many of the classroom furniture ranges fully comply with the new BS EN 1729 standards which have been designed to ensure that pupils sit and work comfortably.

Try before you buy

Visit our 12,000 square feet showroom and choose furniture items to be delivered to your school for assessment.

Free Planning & Advisory Service

Whether you're furnishing a new building or simply a refurbishment of a single room, our advice and expertise is there for you. Our friendly and helpful staff will work with you to design the environment which best suits your needs and your budget. This free service includes a site survey and CAD furniture layouts.

Manufacturing Expertise in Belfast

Moffett & Sons has enjoyed an enviable reputation for the highest standards of manufacturing expertise. Today, quality remains our watchword and, as one of Ireland's leading Educational Furniture manufacturers, we take the vast majority of our products from raw material to finished goods in our extensive factory in Belfast. We manufacture loose, fitted and bespoke furniture which complies fully with all Educational Furniture specifications and standards.

Delivery time

When your order contains products with different delivery times, we will deliver your complete order against the product with the longest delivery time unless you request or we advise differently. However during February, March, June, July and August delivery times may increase (we will advise you). We urge you to order early giving details if you require your order for a specific date. Please also notify us of school opening and closing times during holiday periods and if possible provide a contact telephone number.

Free delivery

All orders are delivered free throughout Northern Ireland. We deliver to all floor levels at no extra charge. Furniture is placed into specified rooms as per CAD drawings. Project managed deliveries are available on request (terms & conditions apply). All items are assembled ready for use.

Your guarantee of satisfaction

The modern teaching environment places heavy demands on furniture and fittings, so we build quality and durability into everything we produce. Everything you buy from Moffett & Sons is guaranteed against defective materials and workmanship for one year after purchase, subject to normal wear and tear, and many items for longer.

AC1 Chair

The lightly textured Polypropylene chairs are produced at the highest quality and are also supplied in a number of colours. They are moulded to the shape of a comfortable sitting position giving you the correct body posture. This chair meets EN1729 parts 1 and 2 requirements and can be stacked with great stability up to 20 seats high. The 19mm diameter four legged steel frames can be plastic coated or Epoxy powder coated to give maximum life.

Postura+ Chair

Besides aesthetics - comfort, space and budget are all factors that need to be taken into account when planning school furniture. For schools looking to optimise their furniture budget, Postura is an affordable way to introduce ergonomic seating to the classroom. The innovative design provides excellent stability helping to prevent rocking and tipping.

Moulded from impact resistant polypropylene, the Postura+ chair has gas injected legs to reduce weight and increase strength. Fully BSEN 1729 compliant and certified by the Furniture Industry Research Association (FIRA), the chair is also UV protected and has low flammability levels having been tested and certified to Crib5. Postura is stain resistant, antistatic to reduce dust adhesion and easy to clean - simply wipe with a damp cloth and mild detergent.
