We manufacture loose, fitted and bespoke furniture which complies fully with all Educational Furniture specifications and standards.

When your order contains products with different delivery times, we will deliver your complete order against the product with the longest delivery time unless you request or we advise differently. However during February, March, June, July and August delivery times may increase (we will advise you). We urge you to order early giving details if you require your order for a specific date. Please also notify us of school opening and closing times during holiday periods and if possible provide a contact telephone number.

## Free delivery

All orders are delivered free throughout Northern Ireland. We deliver to all floor levels at no extra charge. Furniture is placed into specified rooms as per CAD drawings. Project managed deliveries are available on request (terms & conditions apply). All items are assembled ready for use.

## Your guarantee of satisfaction

The modern teaching environment places heavy demands on furniture and fittings, so we build quality and durability into everything we produce. Everything you buy from Moffett & Sons is guaranteed against defective materials and workmanship for one year after purchase, subject to normal wear and tear, and many items for longer.

I have purchased furniture from Moffett & Sons on numerous occasions over the last 12 years and have always been extremely satisfied with the quality of their products, their competitive prices and prompt delivery.

The main reason for returning to Moffett & Sons for new furniture is the excellent customer service they provide.
